Membership Benefits

Professional Development

Members have the opportunity to attend the annual fall conference and institute held each October for educational office professionals.

Information

Members receive four newsletters per year containing information pertaining to personal and professional growth, affiliate associations, and individual members.

Networking

Members are able to meet other educational office professionals throughout Maryland.

Recognition

Members enrolled in the NAEOP Professional Standards Program are honored at the annual fall conference along with the recipient of the Office Professional of the Year Award.

MAEOP is...

the only professional association for educational office professionals in Maryland.

MAEOP functions...

in the best interest and encourages professional growth of the educational office employee.

MAEOP elevates...

the standards of educational office professionals to provide a better understanding of the relationship between the school and community so that more efficient service may be rendered to the educational system.

MAEOP Scholarship

Student Scholarship

Each year a scholarship is awarded to a high school or college student wishing to continue his/her education.

MAEOP Awards

Administrator of the Year

An educational administrator is each year based on his/her sup-educational office professionals.

Office Professional of the Year

As a member of MAEOP, educational office professionals are eligible to be nominated for this award.

NOTE: The names of the recipients of these awards are submitted to the national office for consideration for the NAEOP partner awards.

MAEOP SERVICE

On behalf of the members, the MAEOP executive board reaches out to the community through donations of time and money. Coats for Kids, school supplies, and holiday stockings for the needy, are just a few of the projects.

MAEOP AFFILIATION

Every county in Maryland is encouraged to form a local association and affiliate with MAEOP. Contact the president of MAEOP for further information.

Professional Standards Program (PSP)

Sponsored by the National Association of Educational Office Professionals

- The Professional Standards is based on experience, education, and professional activities.
- The distinction of Certified Educational Office Employee (CEOE) is provided to those who meet the established requirements.
- Professional Standards Program certificates are increasingly being recognized by administrators in professional and monetary terms.

Nationally endorsed by the:

- Association of Public Continuing and Adult Education.
- American Association of School Administrators.
- National Association of Elementary School Principals.

Underlying concepts of the program endorsed by the:

- National Academy for School Executives

MISSION of MAEOP

- Promote personal and professional growth opportunities for all educational office professionals throughout the state.
- Reinforce professionalism for educational office professionals through workshops and conferences.
- Encourage participation in the NAEOP Professional Standards Program (PSP) as an additional avenue to personal and professional growth and development.
